GIGAVAC®

OFERTA PRODUKTOWA

HERMETYCZNE ROZWIĄZANIA DLA APLIKACJI DC DUŻYCH MOCY!

- > Stycznik hermetyczne DC EPIC®
- > Styczniki hermetyczne DC Epoxy
- > Stycznik pomiarowe (Sensing)
- > Styczniki w wykonaniu PCB
- > Odłączniki manualne
- > Wykonania specjalne
- > Bezpiecznik HV

wyłączny przedstawiciel firmy GIGAVAC na rynku polskim

GIGAVAC[®]

GV Series

Commercial Contactors

- > 12V to 1000V
- > Up to 600A
- > Ideal for High Volume Applications

GX/MX Series

Specialized Contactors

- > 12V to 800V
- > Up to 1000A Continuous Duty
- > Options for Integrated Sensing and Military Applications

HX Series

High Voltage Contactors

- > UL Recognized up to 1500V
- > Tested up to 3000V
- > Up to 1000A Continuous Duty

GIGAVAC MiniFACTORS[™]

Compact Sealed Contactors

- > 12V to 1500V
- > Up to 80A Continuous Duty
- > UL Recognized Versions

1 Many of GIGAVAC's Industrial Products have UL Recognition. Contact GIGAVAC for exact models.

2 Many of GIGAVAC's Industrial Products have the CE Mark of Conformity. Contact GIGAVAC for exact models.

Advanced Switching Solutions

PCB Solutions

Cost Effective Installation

- > Power Distribution Solutions
- > 12V to 1000V
- > Up to 600A Continuous Duty

Custom Solutions

Application Specific Designs

- > Purpose Engineered Products
- > Simple Modifications to Full Value Added Packages

High Voltage Fuses

Pyro & Electromagnetic

- > Passive and Active Versions
- > Up to 1500V
- > Fast Acting, No Thermal Aging

Battery Disconnect Switches

Hermetic Manual Disconnect

- > 12V to 1000V
- > Up to 600A Continuous Duty
